Wiring aftermarket fog lights through dash of Triton
April 20th, 2019 - I have a 2009 Triton Utility and have just installed a ARB bull bar with fog lights The lights are controlled by a tear drop type switch I would like to wire the lights through the dash thereby utilising the built in dash warning light for when the lights are operating
The design of the LED headlight lamp is crucial as you need to direct all that extra light output where it is needed most. The Vanquish LED headlight conversion has the LED s positioned on the lamp so you are not blinding oncoming traffic.
