Mock Crime Scene Report

A crime scene is any location that may be associated with a committed crime. Crime scenes contain physical evidence that is pertinent to a criminal investigation. This evidence is collected by crime scene investigators (CSIs) and law enforcement. The location of a crime scene can be the place where the crime took place or can be any area that contains evidence from the crime itself. Crime scene reports are written in a professional and impartial manner and include details that are pertinent to the offense. Personal opinions and conclusions must be avoided. It is important to remain unbiased even if you are directly affected by the crime.
