

THE SUNDAY TIMES

Sundays

at the
Serpentine
Pavilion

Sit back and enjoy the exciting new pavilion at the Serpentine Gallery in Kensington Gardens, W2. Sunday Times readers can get early access to the Pavilion every Sunday from today until September 5. Just use this voucher to enter and also receive one free hot drink from the Pavilion cafe, by Mint, from 9am to 10am. You can also download a voucher at thesundaytimes.co.uk or serpentinegallery.org.

This year's Pavilion has been designed by the leading French architect Jean Nouvel. Immerse yourself in a riot of red. Or play ping pong and other games specially devised for visitors. For Hugh Pearman's online guide to past Serpentine Pavilions, go to thesundaytimes.co.uk/culture. Admission to the main gallery is free; catch an exhibition of photographs by Wolfgang Tillmans from 10am
