**Land Tenure System in Ekiti State Nigeria**
April 13th, 2019 - The only control imposed by law on the lineages and other local land holders was an obligation to seek the consent of Government when rights are being conveyed to aliens. The land tenure system of southern Nigeria created a number of problems for land management in the country.

**The roots of Nigeria's religious and ethnic conflict**
April 14th, 2019 - Modern Nigeria emerged through the merging of two British colonial territories in 1914. The amalgamation was an act of colonial convenience. It occurred mainly because British colonizers desired a contiguous colonial territory stretching from the arid Sahel to the Atlantic Coast, and because Northern Nigeria, one of the merging units, was not paying its way while Southern Nigeria was the other.

**THE FAMILY LIFESTYLE IN NIGERIA**
April 22nd, 2019 - Nigeria families are patriarchal with extended family members having more say than usual in comparison to family setups in the westernized world. Although children are very important to Nigeria families because parents believe that their children will provide support for them in their old age, family relationships are mostly guided by strict systems.
